

Funding Opportunity for International Students (ICHSIP-33)

We are pleased to announce the partial funding support for international students who will attend the **33rd International Congress on High-Speed Imaging and Photonics (ICHSIP-33)** (website: <https://www.ichsip-33.com/>). This grant aims to promote global participation and enable students to engage with leading researchers in the field of high-speed imaging and photonics.

Details for application

Eligibility: Open to non-mainland China students presenting an oral talk or poster.

Support includes: Waived registration fee + Travel subsidy of USD 300.

Number of support: Limited to 10 recipients.

Selection Process: Applications will be reviewed after the deadline; recipients selected are based on academic merit and motivation.

Application Deadline: August 31, 2025

Application materials:

Submit the following materials to the conference secretariat email: ichsip_33@163.com before the deadline.

1. Abstract including English abstract (200-500 words) and Personal Introduction. Abstract Template downloaded from:

https://www.htcis.net/CKUploads/files/2025/2/DOCX_133852080109725769.docx

2. Highlights of your work (max. 150 words).

3. Proof of student status (e.g., university ID, enrollment letter).

4. Recommendation letter: Opinions from your supervisor or a professor in your field (in PDF format). Not mandatory, but it will have a positive effect on securing funding.

Don't miss the opportunity to showcase your work, network with experts, and advance your research!
